

**Product Name :**  
Plate Heat Exchanger

**Product Code :**  
ELABBAT0021

**Description :**

Plate Heat Exchanger

**Technical Specification :**

Plate Heat Exchanger Technical Description The plate heat exchanger features high performance in a small package and is often used in practice. This plate heat exchanger has 6 plates. It is connected to the Service Unit using quick-action hose couplings and secured with star grip screws. The temperature sensors for measuring the feed and return temperature are on the supply connections.
