

Product Name :
All Geared Lathe Machine Student

Product Code :
Im0001

Description :

All Geared Lathe Machine Student

Technical Specification :

All Geared Lathe Machine Student.

Bed is hyperbolic bridge constructed type and specially designed wide opening to easy chip disposal. 2168. It is heavily ribbed and robust constructed in Banka 35,36,43 and 60 models. Hardened & ground bed ways, gears, spindle, spline, shaft, quill, etc. (Turcite B) Linear Bearing System on Carriage. Head stock body is of latest specially designed. The spindle is mounted on selected precision bearings. Spindle speeds in geometric progress ratio. Oil infiltration splash lubrication. American Lo type spindle nose. Gear box arrangement for real time saving equipment. Quick change gear box provides changes of feeds & threads. Separate lead screw & feed shaft for threading pitch accuracy. Apron is totally enclosed oil bath system. T-slot on carriage for mounting special features. Lever type arrangement for automatic feeds. Graduation dial for tail stock & wheel movement. Metric system micro collar for all screws & nuts. Tail stock sleeve is tang shank type for heavy drilling. Easy to operate & Inter changeable parts. Trolley type chip disposal system. Bed is hyperbolic bridge constructed type and specially designed wide opening to easy chip disposal. It is heavily ribbed and robust constructed in Banka 35,36,43 and 60 models.
