

Product Name :
Radial Cross Cut Circular Saw Machine

Product Code :
ww0009

Description :

Radial Cross Cut Circular Saw Machine

Technical Specification :

Radial Cross Cut Circular Saw Machine.

Radial Cross Cut Circular Saw Machine.

Best quality Indian Make Ribsaw machine complete with electric motor 2HP 3 phase, 2800 RPM 12" circular saw with saw guard motor pulley, V belt push button starter having the following specification.

SPECIFICATION

Dia of saw blade 12"	Arm Radial capacity 360°
Depth of cut 2"	Max. blade rotating angle 90°
Size of wooden work table 30" x 36"	Max. cross cut capacity 24"
Height of work table 30" Blade RPM 2800	Power required HP / RPM 2 / 2800
