

Product Name :
Wood And Metal Cutting Bandsaw Machine

Product Code :
ww0010

Technical Specification :

Wood And Metal Cutting Bandsaw Machine.

Heavy duty motorised variable speed vertical metal cutting bandsaw machine suitable for cutting of various material like wood, Asbatoss metals and alloys such as copper and aluminium pospher bronze, cast iron, tool steel etc., provided with table which tilt upto 45° wheel guards, electric motor, TEFC, gear box, starter and V-belt & Saw Blade
