

Product Name :
Thickness Planner With Autofeed Moulding Attachment

Product Code :
ww0011

Description :

Thickness Planner With Autofeed Moulding Attachment

Technical Specification :

Thickness Planner With Autofeed Moulding Attachment.

Working Table Size	18" x 6"
Up & Down movement of working table	3"
Longitudinal Travel of working table	1"
Cutter block width	3"

Length of Thickness Table

No. of Blades

Cutter Block RPM

Power required HP / RPM
