

Product Name :
Portable Cylinder Boring Bar

Product Code :
LABGW-0009

Description :

Portable Cylinder Boring Bar

Technical Specification :

Portable Cylinder Boring Bar.

Portable Cylinder Boring Bar.

SPECIAL FEATURES :

- High Precision
- No Need of Honing
- High Efficiency
- Adoption of Guiders
- Setting by Special Micrometer
- Easily Portable

Standard Equipment :

Single Phase Motor A/c 220 / 250V with flexible wire & 3 pin plug, Equipment Box, Micrometer,

Tool Lapping Fixture, Lapping Disc, Tool Holders with one cutter bit, Anchoe Assemble & 5 sets of Guiders (for 001 3 set of Guiders) & Necessary Operating Spanners.
