

Product Name :
Multimeter

Product Code :
EEI0026

Description :

Multimeter

Technical Specification :

New type holster, sensitive design.

* Large LCD makes the reading clearly.

* Basic screen board with stronger anti-magnetic and anti-interference function.

* No power off under normal operation.

* Full function protection, with high voltage circuit design.

* Reasonable fuse protection circuit diagram.

This Series hand held DT830 3 1/2 digit is compact general purpose Digital Multimeter. Its rugged engineering design with protective holster makes it.

Choice for reliable partner in measurements, be at test bench or at shop floor. DT830 is supplied with Probe as accessory.
