

Product Name :
Linear Tissue Processor

Product Code :
MEDICAL0010

Description :

Linear Tissue Processor

Technical Specification :

Battery Backup of upto 4 hrs.

Can be run both in manual and automatic mode.

Advance safety features to ensure the safety of tissue.

Program can be delayed start.

Easy to use with the help of touch screen.

Configuration	Linear	Linear
No. of stations	12	12
Station capacity	1000ml	2000ml
Paraffin stations	3	3
Reagent stations	5	5
Multi program memory	Yes	Yes
Temp. range (Paraffin)	Ambient- 40 deg C	
Delay start	Yes	Yes
Battery backup	Yes	Yes

Safety device	Yes	Yes
Touch screen	Yes	Yes
Fume exhaust fan	Yes	Yes
Chamber illumination	Yes	Yes
