

Product Name :
Projection Microscope

Product Code :
MEDICAL0017

Description :

Projection Microscope

Technical Specification :

Optical System : On standard TC series objectives.

Focusing : Coarse and fine focusing system, coarse focus range 30mm and fine focusing reading to 0.002mm.

Stage plate : Revolving quadruple / quintuple nose piece with ball bearings for perfect alignment.

Stage : with Co-axial mechanical stage low drive control, 75-50mm.

Condenser : Movable slide condenser N.A. 1.25 with iris diaphragm and filter holder.

Observation : Observation on screen / binocular / trinocular head
