

Product Name :
3 Phase Induction Motor

Product Code :
EELE0003

Description :

3 Phase Induction Motor

Technical Specification :

This is an AC 3 induction motor. This operates on 415V AC. This squirrel cage induction motor coupled to a 2KW shunt generator.

Specifications: Volts: 415V - 3 ϕ Power: 2.2KW Current : 4.8A RPM: 1440 Frame: PM100
