

**Product Name :**  
Lathe Machine

**Product Code :**  
WMT0003

**Description :**

Lathe Machine

**Technical Specification :**

- It is easy to accommodate this equipment in moderate workshops and stays a very good investment for small scale metal industries.
- Suitable for applying in variety of industrial machining processes.
- Perfect workshop tool for engineering industry.
- Lots of metal cutting works can be tried out using this equipment.
- It serves the purpose of transforming metal work materials into different shapes over pre-determined dimensions.
- It is easy to operate and eradicates many complexities which are present in manual metal shaping.
