Product Name :
High Voltage Tester

Product Code :
ELB-VLGE0001

Description :

High Voltage Tester

Technical Specification :

High Voltage Tester to be used for a set of high voltage up to 600kV.
The output should be single phase 50/60Hz .
High Voltage Tester

We are well-known manufacturers, OEM suppliers of High Voltage Tester for High Voltage Lab Equipment. Contact us for high quality High Voltage Tester for High Voltage Lab Equipment for schools lab, college lab, universities, research labs, various teaching and workshop training laboratories and industries in India.
