

Product Name :
Floor Boring Machine

Product Code :
hb0003

Description :

Floor Boring Machine

Technical Specification :

Sturdy construction
Easy installation
Easy operation
Convenient to maintain
Excellent efficiency
High accuracy
Maximum durability
Less noise production
Economical
For complete safety we provide
Safety Clutches for disengaging
Facing Mechanism
Sliding Mechanism of Cross Slide
Rotary Movement of Work Table
Longitudinal Movement of Work Spindle
Limit Switches
Suitable Shear Pins
Demanded By
Heavy Fabrication industry
Cement Plants

Printing industry
Packaging industry
Steel Plants
