

Product Name :
Hand Held Pulse Oximeter

Product Code :
ELAB-PULS0003

Description :

Hand Held Pulse Oximeter

Technical Specification :

Hand Held Pulse Oximeter
Digital Technology
Alarm with freely set limit
Accurate measurement during low perfusion
Anti-Movement, Stable Performance
Built-in rechargeable battery and seat-type charger, Power-Saved Function
Built-in memory card for data memory, connection with computer for downloading data
Bright, Easy-to-Read LED Numerals
Light weight, Portable 2 parameters: SPO2 Pulse Rate
