Product Name :

Hand Held Pulse Oximeter

Product Code: ELAB-PULS0003

Description:

Hand Held Pulse Oximeter

Technical Specification:

Hand Held Pulse Oximeter

Digital Technology

Alarm with freely set limit

Accurate measurement during low perfusion

Anti-Movement, Stable Performance

Built-in rechargeable battery and seat-type charger, Power-Saved Function

Built-in memory card for data memory, connection with computer for downloading data

Bright, Easy-to-Read LED Numerals

Light weight, Portable 2 parameters: SPO2 Pulse Rate
