

Product Name :
Ultra Sound Machine

Product Code :
ELAB-UTS0001

Description :

Ultra Sound Machine

Technical Specification :

Ultra Sound Machine
Display mode: B, B/B, B, M, M
Scanning mode: Convex/linear of electronics
Working frequency convex array R20mm, R40mm, R60mm, R13mm, R18mm linear array
Scanning angle: convex array 60"-120 (depends on probe) linear array: 110mm
Display depth: 190-230mm (depends on probe)
Resolution: Horizontal less than equal to 2mm, vertical less than equal to 1mm
Geometrical Position: less than equal to 1mm
