

Product Name :
Mini Centrifuge

Product Code :
ELAB-CSL0004

Description :

Mini Centrifuge

Technical Specification :

High quality brushless Motor
R.P.M. in steps of 1000 rpm.
Micro processor controlled Centrifuge machine with speed from 1000 to 10000 r.p.m.
Digital display of time and RPM
Centrifuge of 1.5 ml capacity and 12 micro
Centrifuge of 0.5 ml capacity.
Fitted with 0-15 minute electronic digital timer.
Completed with one rotor each for 6 micro
