

**Product Name :**  
Student and Teacher Kit**Product Code :**  
ELAB-EDC0005 LAB ENGINEERING**Description :**

Student and Teacher Kit

**Technical Specification :**

The kit has been designed so that there are sufficient supplies for 40 children and 1 Teacher to establish a learning space and to enable learning activities to commence.  
It is assumed that the kit is a starter-kit in the period before the larger, longer term supplies reach the required areas.
