

Product Name :
Supply Bench For Training Panel

Product Code :
ELABHTOOLSUK440001

Description :

Supply Bench For Training Panel

Technical Specification :

Supply bench for training panels of HL and ST series and others

Mobile support made of welded square tube, powder coated

Lockable cabinet

Drip tray made of glass-fiber reinforced plastic

Inputs: cold and hot water, gas, mains power and high voltage supplies

Outputs: 2x 220V, 2x 400V, 1x gas outlet with gas connector.

1x hot water, 1 x cold water, heating feed and return

Outputs:

2x 220V, 50Hz, 1 phase

1x 400V, 50Hz, 3 phase, 16A

1x 400V, 50Hz, 3 phase, 32A

Gas connection with gas connector

4 hose connections with quick action couplings:

Heating feed, heating return cold water, hot water
