Product Name:

Mold Hardness Tester (Digital)

Product Code: ELABHTOOLSUK460003

Description:

Mold Hardness Tester (Digital)

Technical Specification:

Consists of digital indicator and special geometry plunger to read hardness of Green Moulds from 0 to 100 Nos Width/depth/height, mm: 115/40/165

Weight: 1kg

Range, gsm: 0-100.
