

Product Name :
Non-Mist Safety Goggles

Product Code :
ELABHTOOLSUK530001

Description :

Non-Mist Safety Goggles

Technical Specification :

Eye Protective Glasses: Safety goggles with enhanced polycarbonate lenses, which are splash and fog resistant, as well as impact resistant.

Supports Over Glasses: The space in the goggles is large and can be shared with myopia glasses so that you don't have to worry about myopia.

Good Breathability: The ventilation design of the blinds on both sides uses the aerodynamic principle to speed up the air circulation.

Wide Application Range: PC lens has high light transmittance and UV resistance. It can be used in various situations, such as laboratory work, woodworking, mowing, gardening, drilling, sanding, welding, outdoor sports, etc.

Full ventilation, for use over spectacles, kite.
